# Teacher and Student Success Plan

## 2020-2021

---

## School Information

Name of Administrator:

Sherry Patton

Name of School:

Sand Ridge Junior High

## Goal # 1

*Each goal must promote improved student performance and student academic achievement*

### Goal #1:

We will increase student academic achievement on 8th grade end-of-level tests by 2% from 2019.

### Goal #1 Action Steps

We will provide additional qualified employees who will help students acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve goals, and improve attitudes about self and others.

- Counselor: \$48,400
- LCSW: \$12,500

We will improve academic achievement and behaviors by improving and expanding the MTTS framework that emphasizes Tier 1, 2, & 3 interventions.

- Panorama: \$3,600

We will provide a more robust social and emotional support system, including a Tier III PM school setting. \$10,000

Data from RISE Benchmark assessment will be analyzed to guide instruction and to provide necessary interventions.

## Goal # 1 Measures of Success

Include a description of how progress toward the goals will be measured.

8th grade end-of-level assessment data will be analyzed and compared to 2019 results.

Goals will be measured by MyStudent discipline tags, attendance records, F-Reports, LCSW assessments/sessions, Panorama data, and MTSS program assessment.

## Goal #2

Each goal must promote improved student performance and student academic achievement.

### Goal #2

We will increase student use of supplemental technology tools that support student learning in ELA and Math by 5% from 2020.

### Goal #2 Action Steps

We will purchase digital resources, supporting materials, and up-to-date technologies including software programs such as ALEKS, System 44, and Read 180 that assist in data collection and remediation efforts. (\$30,000)

We will analyze participation and performance data relative to each platform quarterly. Data

will be used to inform instruction, provide intervention, and determine reteaching needs.

## Goal # 2 Measures of Success:

*Include a description of how progress toward the goals will be measured.*

Quarterly:

- Progress will be measured by the school-wide average of "Topics" completed in the ALEKS program, beginning with the "Initial Knowledge Check" as a baseline.
- Analysis of success for the Systems 44 reading program will be measured by a school-wide average score of the baseline reading levels compared to the average of end-of-the-year reading levels.
- The increase in access to digital programs will include an inventory of any replaced technologies that will ensure these programs work efficiently.
