School Information

Name of Administrator: Sherry Patton

Name of School: Sand Ridge Junior High School

Goal # 1

Each goal must promote improved student performance and student academic achievement

Goal #1

We will increase student academic achievement by providing a more robust social and emotional support system. We will provide additional qualified employees who will help students to acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve goals, and improve attitudes about self and others.

Goal #1 Action Step

We will improve academic achievement and behaviors by implementing the MTTS framework that emphasizes Tier 1, 2, & 3 interventions.

Goal #1 Expenditure Category

Keep in mind that expenditures may not supplant funding for existing public education programs or be used for capital expenditures.

Goal # 1 Measures of Success

Include a description of how progress toward the goals will be measured.

Goals will be measured by MyStudent discipline tags, attendance records, F-Reports, LCSW assessments, and MTSS program assessment.

Goal #2

Each goal must promote improved student performance and student academic achievement.

Goal #2

We will improve student performance and academic achievement by enhancing learning opportunities for research, writing, reading and mathematics through an increase in available and updated technology and classroom resources.

Goal #2 Action Step

We will provide access to digital resources, supporting materials, and up-to-date technologies including software programs such as ALEKS and System 44 that assist in remediation efforts.

Goal #2 Expenditure Areas

Keep in mind that expenditures may not supplant funding for existing public education programs or be used for capital expenditures.

Goal #2 Measures of Success

Include a description of how progress toward the goals will be measured.

For the 2019-20 school year, progress will be measured by the school-wide average of "Topics" completed in the ALEKS program, beginning with the "Initial Knowledge Check" as a baseline. Measurement of success for The System 44 Reading program will be measured by a school-wide average score of the baseline reading levels compared to the average of end-of-the-year reading levels. The increase in access to digital access will include an inventory of any replaced technologies that will ensure these programs work efficiently.
