

**Community Council**  
**March 29, 2023**

Attendance: Dave Gordon, Betsy Ray, Quinn Talbot, Jennifer Gravier, Sophie Paul, Kim Cooper, Alisa Buchanan, Lynette Johnson, Janel Hulbert, Heidi James

**Action Plan Steps:**

Goal1

Continue Math labs who need additional support staffing for certified math teachers pay for this extra (\$34500)  
Math Lab-attache students to the teacher to increase testing levels of those who need extra help.  
Lowers class sizes using money from funding or use as a buyout

Fund lease agreements and repair expenses that accrue for every student to have a chromebook (\$36000)

Budget funds for technology replacements and related supplies (\$6000)

Fund resources for focus on content area reading improvement professional development (\$2000)

Trying to increase our test scores by how to do better so reading content will help in all of that.

Goal2

Increase number for graduation beginning of 10th grade by 5%

- English/Language Arts
- Graduation Rate Increase
- Math
- Science
- Social Studies

Student Advocate for 2 PT Advocates Salaries Help (\$34500)

Likes that they have a goal of what to have them do.

Tracking what is done to show the increase in graduation rates..... Maybe something to show what both of them are doing.

Miranda is a part of the Roy Cone for the Roar Grant part of her pay.

What we are envisioning is happening

This year \$125,779

Next year \$121,676 our numbers are down

Trust Land comes up in vote next year so make sure we are abiding by our funding

**Boundary Study Info**

Flyer sent out this morning about the boundary Study and going to any one of the Open Houses for the school district. All will have the same thing shown.

Links should show everything that will be at the open house.

This is Proposed, nothing approved has to go back to the Board for a final approval next year.

Feedback Form will be available next week.

Map was shown

Talked about numbers and boundary exceptions

## **End of Level Testing**

Anyone know anyone interested in proctoring?

Email will be sent out to see if we can get some help.

Talked about some Preferred names vs legal names. Not right now the option to OPT out as name has to be a legal name that shows on the test.

Math English and Science

## **Hoax Today**

The officer let us know he was leaving, we made sure everything was secure. He messaged soon later that it may be a hoax. Meeting was put together.

This could be a social media thing but it may be possible that it went nationwide, nothing happened and working on finding who was involved.

We are looking at more secure issues and the district is in the process and looking at a couple ways to secure our building more.

As people talk, we have a plan to follow protocol, and we do all we can to keep everyone safe.

We welcome any concerns or ideas or questions.

## **Content & reading Goal Discussion**

Jenny mentioned that it is in some of our goals. Instructional Coaches in the future. Reading problems will change the learning in all classes.

Visual for parents to know what they need to work on.

Benchmark option is a practice test but can pick and choose the areas.

Maybe it could be a School Wide goal to focus on where the students are

## **CTC Parent Night**

Best way to get students and parents to attend. Food Chick-Fil-A What to do to get people to attend.

What would you like to see happen? Digital Safety.

SRJH Citizenship makeup? Ridge Rewards Will talk about with CLT how to get students there.

Guiding good choices classes for parents....All over the Roy Pages. Thursdays at Boys & Girls Club

Doing something at our SRJH Level first of the school year could be something good.

Jennifer Graviet moves to approve the upcoming school plan for the 2023-24 School year as written all those in favor I none opposed. We will get an official signature page for all to sign.

Sophie motion to adjourn Lynnette and Janel tie to seconds it at 4:19pm
