[We have math, Science and English Tutoring after School M-TH 2:30-4:00](#)
8. Be Respectful; Be Responsible; Be Safe

We had banners and posters made to put in every classroom and in the commons are that state this. Students all signed a poster that they would support this.

9. Cell Phone Policy

No cell phones or earbuds are allowed in the classroom. They can use them between lunches, before and after school.

10. Parking Lot

We have been working very hard to clean up the parking. Dropping kids off has been a big issue for safety reasons. We have Teachers and Admin out there daily directing traffic. Volunteers are needed

11. Substitute Teachers

If you know of anyone that interested please have them contact us.

12. Bullying and Hazing; Internet Safety; Confidentiality; Sensitivity Training

All staff members are being educated and trained on these topics.

13. School Land Trust goals and funding

Went over Trustlands last year and some budget items. We did not need another Student Advocate so we are amending last year's plan to re-allocate that money to Technology. Trina Favero motioned to Amend Budget and Amy Jackson seconded the motion. It was unanimously approved by the Community Council Committee.

14. Community Council Training

School Community Council Fall Training is In Oct and Nov. (see flyer)

15. Questions? Concerns?
